1 **SEC. 3. FINDINGS.**

2 Congress finds the following:

- 3 (1) The Black Lung Benefits Act (30 U.S.C.
4 901 et seq.) was enacted to provide health care and
5 modest benefits to coal miners who develop pneumo-
6 coniosis (referred to in this section as “black lung

1 disease”) resulting from exposure to coal dust dur-
2 ing their employment. Yet the determination of a
3 claimant’s eligibility for these benefits often requires
4 complex, adversarial litigation. Resource disparities
5 between coal companies and such claimants are
6 widespread within the statutory and regulatory
7 framework of such Act. Comprehensive reforms are
8 necessary to ensure that coal miners are not at a
9 disadvantage when filing claims for benefits.

10 (2) The Government Accountability Office has
11 found that many claimants under the Black Lung
12 Benefits Act are not equipped with the medical and
13 legal resources necessary to develop evidence to meet
14 the requirements for benefits. Miners often lack
15 complete and reliable medical evidence, consequently
16 increasing the risk that the individuals who review
17 claims for benefits will be presented with insufficient
18 medical evidence. Similarly, without better options
19 for legal representation, significant numbers of such
20 claimants proceed with their claims through a com-
21 plex and potentially long administrative process
22 without resources that Department of Labor officials
23 and black lung disease experts note are important
24 for developing evidence and supporting their claims.
25 Only a quarter of claimants are represented by an

1 attorney when filing a claim. Absent efforts to rem-
2 edy administrative problems and address structural
3 weaknesses in the process for obtaining benefits,
4 claimants with meritorious claims would not receive
5 benefits.

6 (3) Full exchange and disclosure between the
7 parties of relevant medical information is essential
8 for fair adjudication of claims under the Black Lung
9 Benefits Act, regardless of whether the parties in-
10 tend to submit such information into evidence.
11 Records of adjudications reveal that some mine oper-
12 ators' legal representatives have withheld relevant
13 evidence from claimants, administrative law judges,
14 and, in some cases, even their own medical experts.
15 In several cases, the disclosure of such evidence
16 would have substantiated a miner's claim for bene-
17 fits. Withholding medical information can endanger
18 miners by depriving them of important information
19 about their own health and the potential need to
20 seek medical treatment.

21 (4) Given the remedial nature of the Black
22 Lung Benefits Act, when an adjudicator determines
23 that evidence is evenly balanced, it is appropriate for
24 any resulting doubt to be resolved in favor of the
25 claimant. The Supreme Court vacated this long-

1 standing legal principle, not on substantive grounds,
2 but because its application conflicted with the re-
3 quirements of another statute. Such principle needs
4 to be reinstated in the Black Lung Benefits Act be-
5 cause it provides fairness and improves the adminis-
6 tration of benefits.

7 (5) Physicians who read lung x-rays as part of
8 pulmonary assessments used in proceedings for
9 claims under the Black Lung Benefits Act are re-
10 quired to demonstrate competency in classifying
11 chest radiographs by becoming certified as B Read-
12 ers by the National Institute for Occupational Safety
13 and Health (referred to in this section as
14 “NIOSH”). However, investigations have uncovered
15 that there are NIOSH-certified B Readers who have
16 systematically misclassified chest radiographs while
17 employed by coal operators or their law firms for the
18 purpose of opposing claims under such Act. In re-
19 sponse, the Department of Labor has directed claims
20 examiners not to credit negative chest x-ray readings
21 for pneumoconiosis by one widely used physician em-
22 ployed at a prominent medical center, unless the
23 Secretary of Labor determines that such readings
24 are otherwise credible. Where chest radiographs are
25 needed to establish entitlement to benefits, claimants

1 should have access to accurate interpretations so as
2 to ensure the fair adjudication of such claims.

3 (6) As of the date of enactment of this Act,
4 more than one year has passed since survivors were
5 denied benefits on claims under the Black Lung
6 Benefits Act that involved the consideration of chest
7 radiograph interpretations by a certain physician
8 whose interpretations have since been determined by
9 the Department of Labor to be generally not worthy
10 of credit. Such survivors should be permitted to file
11 a new claim for benefits under such Act. However,
12 a survivor is effectively barred from filing a new
13 claim one year after a decision regarding such bene-
14 fits is final, constituting an injustice that merits a
15 remedy.

16 (7) Between the calendar years 2004 and 2014,
17 a reduction in the number of administrative law
18 judges in the Department of Labor, coupled with a
19 large increase in the number of cases filed under the
20 Black Lung Benefits Act, cuts to nondefense discre-
21 tionary spending, furloughs resulting from seques-
22 tration, and the 16-day shutdown of the Federal
23 Government during the calendar year 2013, has cre-
24 ated extensive delays in adjudicating claims under
25 such Act and numerous other labor and employment

1 laws. Due to the imbalance between resources and
2 caseloads, it takes 429 days to assign a case to an
3 administrative law judge and a typical claim under
4 such Act remains unresolved for an average of 42
5 months prior to a decision by an administrative law
6 judge. These delays directly and severely impact the
7 lives of workers throughout the United States, plac-
8 ing an undue financial and emotional burden on the
9 affected individuals and their families.

10 (8) Contrary to the intent of Congress, benefits
11 payments under the Black Lung Benefits Act do not
12 automatically increase with the rising cost of living.
13 Benefit payments are tied to the monthly pay rate
14 for Federal employees in grade GS-2, step 1. In sev-
15 eral of the fiscal years prior to the enactment of this
16 Act, there was a pay freeze for Federal employees,
17 which eliminated cost-of-living adjustments under
18 such Act for such years.

19 (9) A competent assessment of medical infor-
20 mation and testimony, which often involves multiple
21 physicians disputing a diagnosis, is necessary in de-
22 termining whether to award benefits under the
23 Black Lung Benefits Act. To ensure that a deter-
24 mination regarding a claim for benefits under such

1 Act is fair and accurate, regular training is needed
2 regarding—

3 (A) developments in pulmonary medicine
4 relating to black lung disease;

5 (B) medical evidence necessary to sustain
6 claims for such benefits; and

7 (C) the proper weight to be given to con-
8 flicting evidence.

9 (10) Black lung disease has been the underlying
10 or contributing cause of death of more than 76,000
11 miners since 1968. After decades of decline, the inci-
12 dence of coal miners with black lung disease is on
13 the rise. According to NIOSH, miners are devel-
14 oping advanced cases of the disease at younger ages.
15 In response, the Department of Labor has taken im-
16 portant steps to combat the disease, including pro-
17 mulgating a rule that reduces the allowed concentra-
18 tion of coal dust and eliminates weaknesses in the
19 current dust sampling system. Retrospective studies
20 should be continued to determine whether revisions
21 to the standards are necessary to eliminate the dis-
22 ease.

1 **TITLE I—BLACK LUNG BENEFITS**

2 **PART A—IMPROVING THE PROCESS FOR FILING**

3 **AND ADJUDICATING CLAIMS FOR BENEFITS**

4 **SEC. 101. MANDATORY DISCLOSURE OF MEDICAL INFOR-**
5 **MATION AND REPORTS.**

6 Part A of the Black Lung Benefits Act (30 U.S.C.
7 901 et seq.) is amended by adding at the end the fol-
8 lowing:

9 **“SEC. 403. MANDATORY MEDICAL INFORMATION DISCLO-**
10 **SURE.**

11 “(a) **REPORT.**—In any claim for benefits under this
12 title, an operator that requires a miner to submit to a
13 medical examination regarding the miner’s respiratory or
14 pulmonary condition shall, not later than 21 days after
15 the miner has been examined, deliver to the claimant a
16 complete copy of the examining physician’s report. The ex-
17 amining physician’s report shall—

18 “(1) be in writing; and

19 “(2) set out in detail the findings of such physi-
20 cian, including any diagnoses and conclusions, the
21 results of any diagnostic imaging tests, and any
22 other tests performed on the miner.

23 “(b) **DISCLOSURE.**—

24 “(1) **IN GENERAL.**—In any claim for benefits
25 under this title, each party shall provide all other

1 parties in the proceeding with a copy of all medical
2 information developed regarding the miner's physical
3 condition relating to such claim, even if the party
4 does not intend to submit the information as evi-
5 dence.

6 “(2) **MEDICAL INFORMATION.**—The medical in-
7 formation described in paragraph (1) shall include—

8 “(A) the opinion of any examining physi-
9 cian; and

10 “(B) any examining or nonexamining phy-
11 sician's interpretation of radiographs or pathol-
12 ogy samples, and reports of such radiographs or
13 samples.

14 “(c) **REGULATIONS.**—The Secretary shall promulgate
15 regulations regarding the disclosure of medical informa-
16 tion under this section, and such regulations may establish
17 sanctions for noncompliance with this section.”.

18 **SEC. 102. LEGAL FEES.**

19 Part A of the Black Lung Benefits Act (30 U.S.C.
20 901 et seq.), as amended by section 101, is further amend-
21 ed by adding at the end the following:

22 **“SEC. 404. ATTORNEYS' FEE PAYMENT PROGRAM.**

23 “(a) **PROGRAM ESTABLISHED.**—

24 “(1) **IN GENERAL.**—Not later than 180 days
25 after the date of enactment of the Black Lung Bene-

1 fits Improvement Act of 2014, the Secretary shall
2 establish an attorneys' fee payment program to pay
3 attorneys' fees, using amounts from the fund, to the
4 attorneys of claimants in qualifying claims.

5 “(2) QUALIFYING CLAIM.—A qualifying claim
6 for purposes of this section is a contested claim for
7 benefits under this title for which a final order has
8 not been entered within one year of the filing of the
9 claim.

10 “(3) USE OF PAYMENTS FROM THE FUND.—
11 Notwithstanding any other provision of law,
12 amounts in the fund shall be available for payments
13 authorized by the Secretary under this section.

14 “(b) PAYMENTS AUTHORIZED.—

15 “(1) IN GENERAL.—If a claimant for benefits
16 under this title obtains an effective award for a
17 qualifying claim before an administrative law judge,
18 the Benefits Review Board established under section
19 21(b) of the Longshore and Harbor Workers' Com-
20 pensation Act (33 U.S.C. 921(b)), or a Federal
21 court, and the judge, Board, or court approves attor-
22 neys' fees for work done before it, the Secretary
23 shall, through the program under this section, pay
24 an amount of attorneys' fees not to exceed \$1,500
25 at each stage of the administrative and legal process.

1 “(2) MAXIMUM.—The program established
2 under this section shall not pay more than a total
3 of \$4,500 in attorneys’ fees for any single qualifying
4 claim.

5 “(c) REIMBURSEMENT OF FUNDS.—In any case in
6 which a qualifying claim results in a final order awarding
7 compensation, the liable operator shall reimburse the fund
8 for any fees paid under this section, subject to enforce-
9 ment by the Secretary under section 424 and in the same
10 manner as compensation orders are enforced under section
11 21(d) of the Longshore and Harbor Workers’ Compensa-
12 tion Act (33 U.S.C. 921(d)).

13 “(d) ADDITIONAL PROGRAM RULES.—Nothing in
14 this section shall limit or otherwise affect an operator’s
15 liability for any attorneys’ fees awarded by an administra-
16 tive law judge, the Benefits Review Board, or a Federal
17 court, that were not paid by the program under this sec-
18 tion. Nothing in this section shall limit or otherwise affect
19 the Secretary’s authority to use amounts in the fund to
20 pay approved attorneys’ fees in claims for benefits under
21 this title for which a final order awarding compensation
22 has been entered and the operator is unable to pay.

23 “(e) NO RECOUPMENT OF ATTORNEYS’ FEES.—Any
24 payment for attorneys’ fees made by the Secretary under

1 this section shall not be recouped from the claimant or
2 the claimant's attorney.”.

3 **SEC. 103. CLARIFYING ELIGIBILITY FOR BLACK LUNG BEN-**
4 **EFITS CLAIMS.**

5 Section 411(c) of the Black Lung Benefits Act (30
6 U.S.C. 921(c)) is amended by striking paragraphs (3) and
7 (4) and inserting the following:

8 “(3)(A) If x-ray, biopsy, autopsy, or other
9 medically accepted and relevant test or procedure es-
10 tablishes that a miner is suffering or has suffered
11 from a chronic dust disease of the lung, diagnosed
12 as complicated pneumoconiosis or progressive mas-
13 sive fibrosis, then there shall be an irrebuttable pre-
14 sumption that such miner is totally disabled due to
15 pneumoconiosis, that such miner's death was due to
16 pneumoconiosis, or that, at the time of death, such
17 miner was totally disabled by pneumoconiosis, as the
18 case may be. A chest radiograph that yields one or
19 more large opacities (greater than one centimeter in
20 diameter) and would be classified in category A, B,
21 or C in the International Classification of
22 Radiographs of Pneumoconioses by the International
23 Labor Organization shall be sufficient to invoke such
24 presumption, unless there is more probative evidence

1 establishing that the etiology of a large opacity is
2 not pneumoconiosis.

3 “(B) In this paragraph, the term ‘complicated
4 pneumoconiosis or progressive massive fibrosis’
5 means pneumoconiosis that has formed an opacity,
6 mass, or lesion greater than one centimeter in di-
7 ameter.

8 “(4) If a miner was employed for 15 years or
9 more in one or more coal mines, and if there is a
10 chest radiograph submitted in connection with the
11 claim under this title of such miner or such miner’s
12 surviving spouse, child, parent, brother, sister, or de-
13 pendent and it is interpreted as negative with re-
14 spect to the requirements of paragraph (3), and if
15 other evidence demonstrates the existence of a to-
16 tally disabling respiratory or pulmonary impairment,
17 then there shall be a rebuttable presumption that
18 such miner is totally disabled due to pneumoconiosis,
19 that the miner’s death was due to pneumoconiosis,
20 or that, at the time of death, the miner was totally
21 disabled by pneumoconiosis. In the case of a living
22 miner, a spouse’s affidavit may not be used by itself
23 to establish the presumption under this paragraph.
24 The presumption under this paragraph may be re-
25 butted only by establishing that such miner does

1 not, or did not, have pneumoconiosis, or that no part
2 of such miner's respiratory or pulmonary impair-
3 ment was caused by pneumoconiosis.”.

4 **SEC. 104. RESTORING ADEQUATE BENEFIT ADJUSTMENTS**
5 **FOR MINERS SUFFERING FROM BLACK LUNG**
6 **DISEASE AND FOR THEIR DEPENDENT FAM-**
7 **ILY MEMBERS.**

8 Section 412(a) of the Black Lung Benefits Act (30
9 U.S.C. 922(a)) is amended by striking paragraph (1) and
10 inserting the following:

11 “(1) In the case of total disability of a miner
12 due to pneumoconiosis, the disabled miner shall be
13 paid benefits during the disability—

14 “(A) for any calendar year preceding Jan-
15 uary 1, 2015, at a rate equal to 37½ per cen-
16 tum of the monthly pay rate for Federal em-
17 ployees in grade GS-2, step 1;

18 “(B) for the calendar year beginning on
19 January 1, 2015, at a rate of \$7,980 per year,
20 payable in 12 equal monthly payments; and

21 “(C) for each calendar year thereafter, at
22 a rate equal to the amount under subparagraph
23 (B) increased by an amount equal to any in-
24 crease in the annual rate of the Consumer Price
25 Index for Urban Wage Earners and Clerical

1 Workers, as published by the Bureau of Labor
2 Statistics.”.

3 **SEC. 105. TREATMENT OF EVIDENCE IN EQUIPOISE.**

4 Section 422 of the Black Lung Benefits Act (30
5 U.S.C. 932) is amended by adding at the end the fol-
6 lowing:

7 “(m) In determining the validity of a claim under this
8 title, an adjudicator who finds that the evidence is evenly
9 balanced on an issue shall resolve any resulting doubt in
10 the claimant’s favor and find that the claimant has met
11 the burden of persuasion on such issue.”.

12 **SEC. 106. PROVIDING ASSISTANCE WITH CLAIMS FOR MIN-**
13 **ERS AND THEIR DEPENDENT FAMILY MEM-**
14 **BERS.**

15 Section 427(a) of the Black Lung Benefits Act (30
16 U.S.C. 937(a)) is amended by striking “the analysis, ex-
17 amination, and treatment” and all that follows through
18 “coal miners.” and inserting “the analysis, examination,
19 and treatment of respiratory and pulmonary impairments
20 in active and inactive coal miners and for assistance on
21 behalf of miners, surviving spouses, dependents, and other
22 family members with claims arising under this title.”.

1 **SEC. 107. FALSE STATEMENTS OR MISREPRESENTATIONS,**
2 **ATTORNEY DISQUALIFICATION, AND DIS-**
3 **COVERY SANCTIONS.**

4 Section 431 of the Black Lung Benefits Act (30
5 U.S.C. 941) is amended to read as follows:

6 **“SEC. 431. FALSE STATEMENTS OR MISREPRESENTATIONS,**
7 **ATTORNEY DISQUALIFICATION, AND DIS-**
8 **COVERY SANCTIONS.**

9 “(a) IN GENERAL.—No person, including any claim-
10 ant, physician, operator, duly authorized agent of such op-
11 erator, or employee of an insurance carrier, shall—

12 “(1) knowingly and willfully make a false state-
13 ment or misrepresentation for the purpose of obtain-
14 ing, increasing, reducing, denying, or terminating
15 benefits under this title; or

16 “(2) threaten, coerce, intimidate, deceive, or
17 knowingly mislead a party, representative, witness,
18 potential witness, judge, or anyone participating in
19 a proceeding regarding any matter related to a pro-
20 ceeding under this title.

21 “(b) FINE; IMPRISONMENT.—Any person who en-
22 gages in the conduct described in subsection (a) shall,
23 upon conviction, be subject to a fine in accordance with
24 title 18, United States Code, imprisoned for not more than
25 5 years, or both.

1 “(c) PROMPT INVESTIGATION.—The United States
2 Attorney for the district in which the conduct described
3 in subsection (a) is alleged to have occurred shall make
4 every reasonable effort to promptly investigate each com-
5 plaint of a violation of such subsection.

6 “(d) DISQUALIFICATION.—

7 “(1) IN GENERAL.—An attorney or expert wit-
8 ness who engages in the conduct described in sub-
9 section (a) shall, in addition to the fine or imprison-
10 ment provided under subsection (b), be permanently
11 disqualified from representing any party, or appear-
12 ing in any proceeding, under this title.

13 “(2) ATTORNEY DISQUALIFICATION.—In addi-
14 tion to the disqualification described in paragraph
15 (1), the Secretary may disqualify an attorney from
16 representing any party in a proceeding under this
17 title for either a limited term or permanently, if the
18 attorney—

19 “(A) engages in any action or behavior
20 that is prejudicial to the fair and orderly con-
21 duct of such proceeding; or

22 “(B) is suspended or disbarred by any
23 court of the United States, any State, or any
24 territory, commonwealth, or possession of the

1 United States with jurisdiction over the pro-
2 ceeding.

3 “(e) DISCOVERY SANCTIONS.—An administrative law
4 judge may sanction a party who fails to comply with an
5 order to compel discovery or disclosure, or to supplement
6 earlier responses, in a proceeding under this title. These
7 sanctions may include, as appropriate—

8 “(1) drawing an adverse inference against the
9 noncomplying party on the facts relevant to the dis-
10 covery or disclosure order;

11 “(2) limiting the noncomplying party’s claims,
12 defenses, or right to introduce evidence; and

13 “(3) rendering a default decision against the
14 noncomplying party.

15 “(f) REGULATIONS.—The Secretary shall promulgate
16 regulations that—

17 “(1) provide procedures for the disqualifications
18 and sanctions under this section and are appropriate
19 for all parties; and

20 “(2) distinguish between parties that are rep-
21 resented by an attorney and parties that are not
22 represented by an attorney.”.

1 **SEC. 108. DEVELOPMENT OF MEDICAL EVIDENCE BY THE**
2 **SECRETARY.**

3 Part C of the Black Lung Benefits Act (30 U.S.C.
4 931 et seq.) is amended by adding at the end the fol-
5 lowing:

6 **“SEC. 435. DEVELOPMENT OF MEDICAL EVIDENCE BY THE**
7 **SECRETARY.**

8 “(a) COMPLETE PULMONARY EVALUATION.—Upon
9 request by a claimant for benefits under this title, the Sec-
10 retary shall provide the claimant an opportunity to sub-
11 stantiate the claim through a complete pulmonary evalua-
12 tion of the miner that shall include—

13 “(1) an initial report, conducted by a qualified
14 physician on the list provided under subsection (d),
15 and in accordance with subsection (d)(5) and sec-
16 tions 402(f)(1)(D) and 413(b); and

17 “(2) if the conditions under subsection (b) are
18 met, any supplemental medical evidence described in
19 subsection (c).

20 “(b) CONDITIONS FOR SUPPLEMENTAL MEDICAL
21 EVIDENCE.—The Secretary shall develop supplemental
22 medical evidence, in accordance with subsection (c)—

23 “(1) for any claim in which the Secretary rec-
24 ommends an award of benefits based on the results
25 of the initial report under subsection (a)(1) and a
26 party opposing such award submits evidence that

1 could be considered contrary to the findings of the
2 Secretary; and

3 “(2) for any compensation case under this title
4 heard by an administrative law judge, in which—

5 “(A) the Secretary has awarded benefits to
6 the claimant;

7 “(B) the party opposing such award has
8 submitted evidence not previously reviewed that
9 could be considered contrary to the award
10 under subparagraph (A); and

11 “(C) the claimant or, if the claimant is
12 represented by an attorney, the claimant’s at-
13 torney consents to the Secretary developing
14 supplemental medical evidence.

15 “(c) PROCESS FOR SUPPLEMENTAL MEDICAL EVI-
16 DENCE.—

17 “(1) IN GENERAL.—Except as provided under
18 paragraph (2), to develop supplemental medical evi-
19 dence under conditions described in subsection (b),
20 the Secretary shall request the physician who con-
21 ducted the initial report under subsection (a)(1)
22 to—

23 “(A) review any medical evidence sub-
24 mitted after such report or the most recent sup-
25 plemental report, as appropriate; and

1 “(B) update his or her opinion in a supple-
2 mental report.

3 “(2) ALTERNATIVE PHYSICIAN.—If such physi-
4 cian is no longer available or is unwilling to provide
5 supplemental medical evidence under paragraph (1),
6 the Secretary shall select another qualified physician
7 to provide such evidence.

8 “(d) QUALIFIED PHYSICIANS FOR COMPLETE PUL-
9 MONARY EVALUATION AND PROTECTIONS FOR SUIT-
10 ABILITY AND POTENTIAL CONFLICTS OF INTEREST.—

11 “(1) QUALIFIED PHYSICIANS LIST.—The Sec-
12 retary shall create and maintain a list of qualified
13 physicians to be selected by a claimant to perform
14 the complete pulmonary evaluation described in sub-
15 section (a).

16 “(2) PUBLIC AVAILABILITY.—The Secretary
17 shall make the list under this subsection available to
18 the public.

19 “(3) ANNUAL EVALUATION.—Each year, the
20 Secretary shall update such list by reviewing the
21 suitability of the listed qualified physicians and as-
22 sessing any potential conflicts of interest.

23 “(4) CRITERIA FOR SUITABILITY.—In deter-
24 mining whether a physician is suitable to be on the
25 list under this subsection, the Secretary shall consult

1 the National Practitioner Data Bank of the Depart-
2 ment of Health and Human Services and assess re-
3 ports of adverse licensure, certifications, hospital
4 privilege, and professional society actions involving
5 the physician. In no case shall such list include any
6 physician—

7 “(A) who is not licensed to practice medi-
8 cine in any State or any territory, common-
9 wealth, or possession of the United States;

10 “(B) whose license is revoked by a medical
11 licensing board of any State, territory, common-
12 wealth, or possession of the United States; or

13 “(C) whose license is suspended by a med-
14 ical licensing board of any State, territory, com-
15 monwealth, or possession of the United States.

16 “(5) CONFLICTS OF INTEREST.—The Secretary
17 shall develop and implement policies and procedures
18 to ensure that any actual or potential conflict of in-
19 terest of qualified physicians on the list under this
20 subsection, including both individual and organiza-
21 tional conflicts of interest, are disclosed to the De-

13 (2) COVERED CHEST RADIOGRAPH.—The term
14 “covered chest radiograph” means a chest
15 radiograph that was interpreted as negative for
16 pneumoconiosis or complicated pneumoconiosis or
17 progressive massive fibrosis by a physician with re-
18 spect to whom the Secretary of Labor has directed,
19 in writing and after an evaluation by such Secretary,
20 that such physician’s negative interpretations of
21 chest radiographs not be credited, unless otherwise
22 determined credible by such Secretary, in evaluating
23 a claim for benefits under the Black Lung Benefits
24 Act (30 U.S.C. 901 et seq.).

8 (d) TIME OF PAYMENT.—

14 in its record a covered chest radiograph.

15 (2) SURVIVOR'S CLAIM.—If a claim, filed under
16 subsection (b) and adjudicated under subsection (c)

20 (e) CONTRIBUTING IMPACT.—The Secretary of Labor
21 shall have the discretion to deny a new claim under sub-

2 by the covered individual or the covered survivor.

3 (f) **LIMITATION ON FILING OF NEW CLAIMS.**—A new
4 claim for benefits may be filed under subsection (b) only
