The Honorable Chris Murphy  
Chairman  
Subcommittee on Homeland Security  
Room S-128, The Capitol  
Washington, D.C. 20510

The Honorable Shelley Moore Capito  
Ranking Member  
Subcommittee on Homeland Security  
Room S-128, The Capitol  
Washington D.C. 20510

Dear Chairman Murphy and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Homeland Security Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

I appreciate your distinguished leadership on this important bill, as well as the assistance that your exceptional staff provide to mine. If you have questions regarding any of my requests, please contact Seth Gainer on my staff at (202) 228-6688.

With warmest regards,

Joe Manchin III  
United States Senator

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Morgan County Office of Emergency Services	This project would expand the footprint of the Morgan County Emergency Operations Center for disaster response capability to support an alternative communications operation.	Berkeley Springs WV	\$189
Braxton County Department of Emergency Services	This project will upgrade the outdated emergency communications radio system towers at the Braxton County emergency operations center to a functional VHF high band repeater system with six frequencies, and replace the mobile radios and portable communications equipment which will function with this radio system, at seven associated fire departments.	Braxton County WV	\$198
Pocahontas County Commission	This project will create a combined EMS/911 Center to be located on three lots near the Pocahontas Memorial Hospital.	Buckeye WV	\$800
West Virginia Department of Agriculture	This project will assist the WV Department of Agriculture in developing a GIS program to support homeland and biosecurity response, regulatory program site assessments, and business development.	Charleston WV	\$425
University of Charleston	This project repairs, stabilizes, and enhances the University of Charleston's Riverbank.	Charleston WV	\$750
Huntington Sanitary Board	The project will assist the Huntington Backflow Prevention Project to reduce Combined Sewer Overflow (CSO) events at 22 outfalls and reduce river water inflow, including sediment and other debris, from the Four Pole, Guyandotte and Ohio Rivers during moderate to high river levels.	Huntington WV	\$750
City of New Martinsville	This project will relocate the New Martinsville Volunteer Fire Department out of the flood plain and out of harm's way in the event of a major dam breach or failure at the Hydroelectric Facility at the Hannibal Locks and Dams.	New Martinsville WV	\$300
